

clip rail system

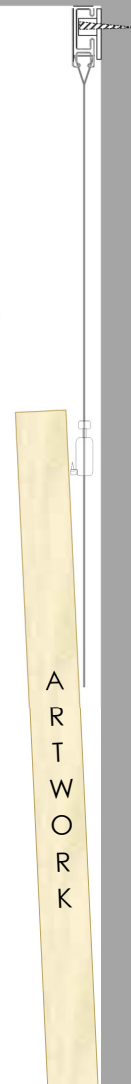

The most popular hanging kit on the market - small, sophisticated, flexible and affordable.

Once installed there's no more drilling, patching or painting. Our DIY hanging kit includes everything you need to install two metres of rail and hang 1-2 pictures.

A great system for those wanting to rearrange their photographs or an entire art collection without fuss.

Highly recommended!

- ✓ Small size 25mm x 8mm
- ✓ Hidden wall fixings
- ✓ Suits all types of wall and cornice detail
- ✓ No tools required to hang pictures
- ✓ Quick clip in & out picture repositioning
